About This Content

Step back in time to the golden age of the classic adventure serial, and join archaeologist/adventurer Rick Rider as he searches the globe for the lost Treasure of Patit 5d3b920ae0

Title: FSX: Steam Edition - Treasure Hunt Add-On

Genre: Simulation

Developer:

Jane Rachel Whittaker

Publisher:

Dovetail Games - Flight

Release Date: 20 May, 2016

English

This is actually terrific fun. A mixture of Indiana Jones in my Flight Simulator, am up to mission 12 and really enjoying it. Some missions I had to re-do a couple of times because I was not up to the challenge of flying the aeroplane properly when I had a failure or did not work out what I had to do in time. Great challenge, much better than the default missions you get in the SIM.. hard to feather the engine. This is a bit disappointing. The voice acting is very stilted and the "mystery" is following clues - so far from an old manuscript containing clues that refer to events more recent than the manuscript. Still, the flying is flying (simulated) so that part is good.. u042du0442u043e u043fu0440u043eu0441u0442u043e u043fu0435u0440u0435u043bu0451u0442u044b u0438u0437 u043fu0443u043du043au0442u0430 u0410 u0432 u043fu0443u043du043au0442 u0411 u043du0430 Grumman Goose u0441 u043eu0440u0438u0433u0438u043du0430u043bu044cu043du044bu043cu0438 u043bu0438u0432u0440u0435u044fu043cu0438. u041du0430u043c u043fu0440u0435u0434u0441u0442u0430u0432u0438u0442u044c u0441u0435u0431u0435, u0447u0442u043e u043du0430 u0434u0432u043eu0440u0435 30-u0435 u0433u043eu0434u044b u043fu0440u043eu0448u043bu043eu0433u043e u0432u0435u043au0430, u0438 u043cu044b u0438u0449u0435u043c

flying the Gruman goose. The challenges are mostly to get the rewards, and not falling a sleep on the long boring flights. THE
MUSIC IS TERRIBLE THANKS FOR THE "Q".. DEFINITELY broken. Mission 1 impossible to take off without crashing,
other missions boring AF in my opinion. Couldn't get a refund cause of stpd Steam system (it thinks I played this DLC for more
than 8 hours, but I only played FSX main game).
